

GARDENER

Nature of work

The principal and customary work of the employee in this employment class consists in the preparation and the performance of tasks related to the growing and upkeep of plants, inside as well as outside.

Required qualifications

Experience

To have two (2) years of pertinent experience.

Some characteristic duties

The employee in this employment class looks after plants by performing the following tasks: staking, pruning, topping, cutting back, hoeing, weeding, digging, and watering. If necessary, he uses products such as insecticides and fertilizers. He prunes trees and seals the wounds with a protective coating.

He propagates plants by means of seedlings, cuttings, etc. He prepares the soil, pricks out and pots plants, does the planting and lays turf.

Occasionally, he mows the lawn and does landscaping work.

The gardener is also responsible for keeping the premises clean as well as the equipment used.

If need be, he performs any other related tasks.
