

## **CHIEF ELECTRICIAN**

### **Nature of work**

The principal and customary work of the employee in this employment class consists in assuming responsibility for the electrical work and for carrying out the more complex tasks.

### **Required qualifications**

To have the legal qualifications prescribed by regulation for this employment class.

### **Some characteristic duties**

The employee in this employment class generally performs the same duties as the electrician. However, because of his qualifications, he works more independently and undertakes the more complex work.

Moreover, the employee is required to assume partial or full responsibility for tasks related to the renewal, modification or repair of the electrical installations of the college.

If need be, he performs any other related tasks.
